## REMARKS

By means of the present amendment, the specification has been amended to include a claim of priority.

Claim 23 has been changed in form only to comply with U.S.

patent practice. The amendment to the claims does not address
issues of patentability and Applicants respectfully reserve all
rights they may have under the Doctrine of Equivalents. Applicants
furthermore reserve their right to reintroduce subject matter
deleted herein at a later time during the prosecution of this
application or continuing applications

In view of the foregoing amendments and remarks, Applicant respectfully requests favorable reconsideration and early passage to issue of the present application.

Respectfully submitted,
